

I signed up for the NJ Do not call list the moment it became available in the state. The number of annoying calls has been almost eliminated in my household and I am so glad. It is most annoying to be disturbed during your meal or whatever you are doing to take a call from an annoying telemarketer that doesn't want to take no for an answer. Please do not jeopardize what has helped so much in NJ to return our lifestyles to uninterrupted family time.

Thank you
